elyst AI

This summer, your child *won't* × just scroll. They will *build* ✓ with AI.

A 5-day *live* program where your child builds *real* things with AI.

elyst AI

Instead of endless *scrolling*

Let them *talk* to AI!

elyst AI

Instead of just *watching* content

Let them create posters with AI.

elyst AI

Instead of *struggling* with studies

Let them study *smarter* with AI.

elyst AI

Instead of just
browsing websites

Let them *build* their
own website with AI.

introducing

AI for juniors

by elyst AI

a program where you child will
build with AI in just **5 days.**
